

# Addict

~~~~~

~verse I~

There's nowhere to run  
No place to hide away  
There's no escaping when the dragon comes to play

Feel it in my soul  
Deep within my veins  
Hear it calling like a song from yesterday

~chorus I~

For the rest of your life, I will be there waiting  
Till the end of all time, I will be there waiting....

~verse II~

The foil starts to crack  
Embrace me in your spell  
Sweet temptation please release me from this hell

~chorus II~

For the rest of your life, I will be there waiting  
Till the end of all time, I will be there waiting, waiting, waiting....

~middle VIII~

Synapses fire in a symphony of pleasure  
Black snakes spin a beautiful toxic web of deceit  
Tragic cravings feed my dark obsession  
Neutralise the pain, and embrace me in your womb  
Oh sweet oblivion...

~chorus III~

For the rest of your life, I will be there waiting  
Till the end of all time, I will be there waiting  
For the rest of your life, I will be there waiting  
Till the end of all time, I will be there waiting  
I will be there waiting, waiting, waiting, waiting....

~solo~

~outro~

I don't know, what I'm gonna do without you...  
I don't know, what I'm gonna do without you....  
I don't know, what I'm gonna do without you.....
